Slip Resistant Tape 50mm Stairs	P5
Fire Tested	Test in Progress
Emission Release	Test in Progress
Acoustic Test	Test in Progress
Suitable Room Types	Residential - Suitable for all dry areas / Commercial Suitable for moderate traffic areas
Country of Origin	Made in China
Features & Benefits	Satin EIR Finish / Easy to Clean and maintain Easy click lock installation / Extra strong locking system Durable and hard-wearing
Colour Variation Disclaimer	Clever Choice Flooring products are made from natural materials and prints and may vary in colour, texture and naturally occurring features from individual pieces and batches of the same Species Reproduction in printing and photography is for guidance only, photos give an indication of colour and are not necessarily representative of the overall effect or design.
Water Protection Disclaimer	Clever Choice laminates have some water protection. Water protection applies only to surface-level liquid in small areas; these products are not waterproof. This surface protection does not include protection from continuous water exposure, flooding or wet mopping. Surface water protection applies to surface water only, and not water that enters the core of the board, from Subfloor or runoff from wet areas.
